

ROUND 04 : HUNGARORING 04-06/07/2025 STEWARDS' DECISION N°10

From The Stewards
To Competitor and driver of car 3
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received two reports from the Race Director (9 and 10), having examined data acquisition, summoned and heard the competitor, have considered the following matter, determine the following:

Car N°, Driver and Competitor : 3 – ENZO RICHER - G4 RACING

Times of fact: 13.48 and 14.04
Session: Race 1

Facts: the Push To Pass button of car 3 was pushed before the car has crossed the finish line after the withdrawal of the safety car in the first safety car procedure and in the second safety car procedure.

Offence: Breach of article 23.8.2.b) of the FRECA Sporting Regulations

Decision: A 20 seconds penalty added to the total race time

Reason: Having considered the matter extensively, after reviewing data acquisition, the stewards determined that after the resumes of the race behind safety car in Race 1, the Push To Pass button of car 3 was activated twice :

First time (after first safety car phase) : 80 meters

Second time (after second safety car phase): 51 metres

before crossing the finish line for the second time after the safety car has returned to the pit lane. Consequently, it breached twice the article 23.8.2.b) of the FRECA Sporting Regulations. The Stewards, taking into account that the datum penalty according to the regulations is a 10 seconds time penalty for each infringement, decide to apply a total of 20 seconds time penalty.

Competitors are reminded the right to appeal (Article 15 of the FIA ISC) and that the above penalty is NOT susceptible to appeal according to Article 15.4 of the FRECA Sporting Regulations.
