

ROUND 04 : HUNGARORING 21-23/06/2024 STEWARDS' DECISION N°21

From The Stewards
To Competitor G4 RACING
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Race Director (document n°21), having examined on-board images evidence, summoned and heard the competitor, have considered the following matter, determine the following:

Competitor : G4 RACING

Time of fact: 15.45

Session: Race 2

Facts: After the 15 second signal was presented equipment was visible at car 16 on grid.

Offence: Breach of article 31.5 of the FRECA Sporting Regulations

Decision: Financial fine of 300 Euros

Reason: According to article 31.5 of the FRECA 2024 Sporting Regulations : when the "one minute" signal is shown, engines should be started and all team personnel must leave the grid by the time the "fifteen seconds" signal is given, taking all equipment with them.

The Stewards determined that after the 15 second signal was presented equipment was visible at car 16 on grid. After car 16 has cleared the grid this equipment was seen being moved away by the same car, and created a potential dangerous situation. The team manager recognized his team's fault, and apologized for that.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
