

ROUND 07 : IMOLA 06-08/09/2024 STEWARDS' DECISION N°6

From The Stewards
To Competitor and driver of car 20
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Race Director during the race, having examined CCTV images evidence, have considered the following matter, determine the following:

Car N°, Driver and Competitor : 20 - ZACHARY DAVID - R ACE GP

Time of fact: 15.35

Session: Race 1

Facts: After the 15 second signal during the starting procedure, equipment was visibly connected at car 20 on grid until it was ejected out of the car at T4 in the first lap.

Offence: Breach of article 31.5 of the FRECA Sporting Regulations

Decision: Drive through penalty - completed during the race 1 at 15.49

Reason: According to article 31.5 of the FRECA 2024 Sporting Regulations : when the "one minute" signal is shown, engines should be started and all team personnel must leave the grid by the time the "fifteen seconds" signal is given, taking all equipment with them.

The Stewards determined that after the 15 second signal was presented, a blower was still visible at car 20 on grid. After it was ejected out of the car at T4 in the first lap, that created a potential dangerous situation. The Stewards, after reviewing the CCTV images, imposed the aforementioned penalty by application of article 31.5 of FRECA Sporting Regulation.

Competitors are reminded the right to appeal (Article 15 of the FIA ISC) and that the above penalty is NOT susceptible to appeal according to Article 15.4 of the FRECA Sporting Regulations.
