

## ROUND 06 : IMOLA 01-03/08/2025 STEWARDS' DECISION N°5

**From** The Stewards  
**To** Competitors and drivers of car 95 and 6  
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Race Director (document n°5), having examined on-board images evidence, summoned and heard drivers and competitors, have considered the following matter, determine the following:

**Car N°, Driver and Competitor** : 6 - HIYU YAMAKOSHI - VAN AMERSFOORT RACING

**Time of fact:** 17.00

**Session:** Race 1

**Facts:** Car 6 made contact with car 95 at turn 9.

**Offence:** Breach of article 14.1 of the FRECA Sporting Regulations

**Decision:** A drop of four (4) grid positions on the starting grid of the next race contested by the driver

**Reason:** Having considered the matter extensively, after reviewing video and on-board evidence, the stewards determined that approaching Turn 9, the driver of car 95 tried to overtake the car 6, on the right side of the track. In the meanwhile, the driver of car 6 was preparing the racing line to make the corner and moved slightly towards the right side of the track, in doing so contact was made, wheel by wheel, because the front axel of car 95 was already alongside of the rear of car 6. The Stewards conclude that the driver of car 6 did a wrong evaluation of the space and was predominantly responsible for the contact. Therefore, due to the fact that the car N°6 was retired, they decide to apply the aforementioned penalty of a drop of positions.

Competitors are reminded the right to appeal (Article 15 of the FIA ISC) and that the above penalty is NOT susceptible to appeal according to Article 15.4 of the FRECA Sporting Regulations.
