

ROUND 02 : SPA-FRANCORCHAMPS 16-18/05/2025

STEWARDS' DECISION N°11

From The Stewards
To Competitor of car 89
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Race Director (document n°13), having received a SD card, summoned and heard the competitor, have considered the following matter, determine the following:

Car N°, Driver and Competitor : 89 - TAITO KATO - ART GRAND PRIX

Time of fact: 12.10

Session: Race 2

Facts: The Competitor failed to properly operate the on-board camera system.

Offence: Breach of article 23.7 of the FRECA Sporting Regulations

Decision: Financial fine of 300 Euros

Reason: According to Art. 23.7 of the Sporting Regulations, "every car must be equipped with an official on-board camera system. The on-board camera model and its support are defined by the Organising Committee."

Item 26D - Video System of Technical Bulletin TB_2025_FRECA_02_EN dated 10-03-2025 reads: "only one video camera kit is allowed: AIM Smarty Cam 3.1".

According to the on-board images produced by the camera of the car 89 retrieved after race 2 at the Paul Ricard Event, and later having been confirmed by the Tatuus customer race engineers, reporting to the race director, the camera model of car 89 does not match the camera model mandated by the above referenced technical bulletin.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
