STEWARDS' DECISION N°3

From The Stewards
To Competitors and driver car 50
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Technical Delegate (PV4), summoned and heard the competitor, have considered the following matter, determine the following:

Car N°, Driver and Competitor : 50 - TIM GERHARDS - SAINTELOC RACING

Session: Qualifying 2 – Group B

Facts: Car No. 50 (Gerhards) entered by the competitor SAINTELOC RACING has been found to be non-compliant on the floor bottom height.

Offence: Breach of 2025 FRECA Technical Regulation art. 3.7 and article 19.14 of the FRECA Sporting Regulation.

Decision: All lap times achieved by car 50 during this qualifying session 2 are deleted, according to article 19.14 FRECA Sporting Regulation.
The Stewards allow the car 50 to start at the back of the grid of Race 2

Reason: According to FRECA Technical Regulation article 3.7, the floor bottom height must be 50 mm above the reference plane. After Qualifying session 2, the Technical Delegates checked the floors of some cars, and reported that the measurement on Vehicle No. 50 taken with the reference tool is not compliant with the article 3.7. The car 50 has been found to be too low by 2 mm on each side. The Stewards decide to delete all the qualifying lap times for car 50 as per article 19.14 FRECA Sporting Regulation 2025.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the Formula Regional European Championship by Alpine Sporting Regulations, and Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
