

FORMULA REGIONAL EUROPEAN CHAMPIONSHIP BY ALPINE SEASON 2022, ROUND 7, CIRCUIT DE SPA-FRANCORCHAMPS

NOTE TO TEAMS

After further investigation concerning the events that occurred at the beginning of the Group B qualifying 1, we can report that due to a technical problem with the pit exit lights these had always remained green as certified by the local Clerk of the Course.

The FRECA Officers were not informed of this and since the Group A cars had made their deceleration lap at very low speed, the FRECA Officers had planned to postpone the start of the session to 17:52. However, due to the fact to the lights of the pit Exit were in green, some vehicles had started the session at the time that was scheduled in the official timetable.

Given this situation, as there was no official communication of time change, the session continued until the end of the scheduled time
