

ROUND 02 : SPA 24-26/05/2024

BULLETIN 4 TO THE SUPPLEMENTARY REGULATIONS

From The Stewards
To Competitors and drivers
Race Director, Clerk of the Course, Timekeeping

The Stewards, due to ongoing technical reasons related to the fuel consumption, have decided to reduce the Race 2 time distance

from 30' + 1 Lap to 26' + 1 Lap.

For the avoidance of doubt, the whole starting procedure remain unchanged.

The following modifications to the Formula Regional by Alpine 2024 Sporting Regulations will only be applicable during the Race 2 of Spa event scheduled from the 24th of May to the 26th of May 2024:

9.3. If a race is suspended according to Article 34 and cannot be resumed, no point will be awarded if the leader has completed two laps or less, half points will be awarded if the leader has completed more than two laps but less than 24 21 minutes of the original race duration, and full points will be awarded if the leader has completed 24 21 minutes or more than 24 minutes of the original race duration.

The 24 21 minutes will be calculated cumulatively if a race has been suspended more than once.

34.6. If a race is suspended after at least 24 21 minutes, the cars will be directed to the Parc Fermé and the race will not be resumed.

If the race cannot be resumed, the results will be those obtained at the end of the penultimate lap before the lap during which the race suspension signal was given, and the classification will be established accordingly.

9.3. Si une course est suspendue conformément à l'Article 34, sans pouvoir être reprise, aucun point ne sera attribué si le pilote de tête a effectué deux tours ou moins de deux tours, la moitié des points sera attribuée si le pilote de tête a effectué plus de deux tours mais moins de 24 21 minutes de la durée prévue à l'origine pour la course et la totalité des points sera attribuée si le pilote de tête a effectué 24 minutes ou plus de 24 21 minutes de la durée prévue à l'origine pour la course.

Les 24 21 minutes seront calculées cumulativement si une course a été suspendue à plus d'une reprise.

34.6. Si une course est suspendue au bout d'au moins 24 21 minutes, les voitures seront dirigées directement vers le Parc Fermé et la course ne sera pas reprise.

Si la course ne peut être reprise, les résultats seront ceux obtenus à la fin de l'avant-dernier tour avant le tour au cours duquel le signal de suspension de la course a été donné et le classement sera établi en conséquence.
