

## ROUND 08 : RED BULL RING 09-11/09/2022

### STEWARDS' DECISION N°3

**From** The Stewards  
**To** Competitor and driver of car 58  
Race Director, Clerk of the Course, Timekeeping

The Stewards, having received a report from the Race Director (document n°3), having examined CCTV images evidence, summoned and heard the competitor, have considered the following matter, determine the following:

**Car N°, Driver and Competitor** : 58 - SEBASTIAN MONTOYA - PREMA RACING

**Time of fact:** 14.01  
**Session:** Race 1

**Facts:** Car 58 was moved from the fast lane whilst the race was suspended. At 14:01 team members of Prema Racing pushed car 58 out of the fast lane into the service lane. It should be noted that all the cars in the fast lane were in the correct restart order whilst the race was suspended, as the result were taken at the last point it was possible to determine the position of all the cars before the order to suspend the race was given.

**Offence:** Breach of article 34.5 of the FRECA Sporting Regulations

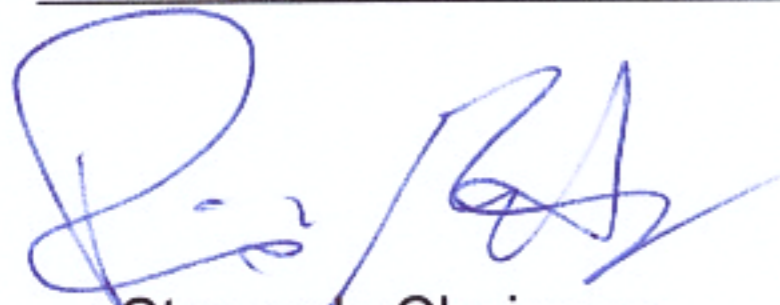

**Decision:** Drive through penalty converted in 25 seconds to be added to the race time

**Reason:** Having considered the matter extensively, after reviewing video from CCTV evidence, the stewards determined that the driver n 58, during the suspension of the race, was moved from the fast lane (as part of the Pit Lane closest to the pit wall according to art 25.3 of the FRECA Sporting Regulation) in the inner lane by the Prema mechanics without any specific instruction of the marshals or Officials. This is in breach of art 34.5 of the FRECA Sporting Regulation and the mandatory penalty of Drive Through (converted in 25 sec penalty at the end of the race) was imposed by the Stewards. The Team Manager recognised the mistake.

Competitors are reminded the right to appeal (Article 15 of the FIA ISC) and that the above penalty is NOT susceptible to appeal according to Article 15.4 of the FRECA Sporting Regulations.
