Pietro Delli Guanti - Driver

"I'm so much enthusiast to start this new challenge with RPM, I would like to thanks all the team and Keith Donegan for this opportunity, I truly believe that the team has a great potential and I would be able to use it on the best possible way. We never tested together during the winter tests but I'm very confident about the team's organisation. In the upcoming season I will try to improve the results I gained in the 2021. I'm sure we will be able bring home excellent results together, always with passion and hard work!"
